RIO CLARO TOUR- Hike to a nearby jungle river. You will meet Ricardo who, with the help of willing volunteers, has been actively protecting turtle eggs and releasing baby turtles for years. Once at the river's edge, you can jump in the river (with or without a rope swing) and have a swim. Canoe up the scenic river. You will have the opportunity to float down river, jump off rocks, hike to a fantastic waterfall and swim in the secluded pool below the waterfall. Hike back to the beach. Enjoy a delicious lunch buffet brought by your guide.

MANGROVE AND BIRD ISLAND TOUR Full of legends and rich history, this isolated and unexplored wilderness area will inspire everyone who visits it. Explore the forest by boat. You will see ancient mangrove trees and return to the ocean by another river to a large beach and do a nature hike. Later, your guide will take the boat to Bird Island to see nesting and frigate birds.

CANO ISLAND TOUR
