

THAILAND AGGRESSOR & PHUKET ADVENTURES

NOVEMBER 4 - 15, 2017

Diving in the pristine waters of Thailand is on every diver's bucket list. The best conditions for diving in the Andaman Sea exist from November to April. BUT - We are not only going to dive for the first week, we are going to play and explore Phuket! Between diving the Aggressor, a world class dive yacht in the Similan Islands, and staying in fabulous Jungle Walk Rooms at the Marina Phuket Resort, you will be sooooo spoiled.

The Similan Islands lie approximately 100 km Northwest of Phuket, Thailand. Declared a National Park in 1982, the Similans are comprised of 9 islands, which run roughly North to South with numerous smaller rock outcroppings. With snow-white beaches, lush tropical jungle and spectacular dive sites in stunning turquoise waters, it's not surprising that the Similans are ranked as one of the top 10 dive sites in the world!

Phuket, a rain forested, mountainous island in the Andaman Sea, has some of Thailand's most beautiful beaches, mostly situated along the clear waters of the western shore. Phuket City, the capital, has old shop houses and busy markets. Patong, the main resort town, has the night life.

On our land excursions in Phuket we will:

- Explore James Bond Island (Man With A Golden Gun filmed there in 1974) and Phang Nga Island National Park
- Lunch on the beach
- Canoe secret lagoons which open into amazing majestic caves
- Lunch at Koh Payee Sea Gypsy Village
- Trek through the jungle on elephants
- Go white water rafting
- Explore Suwankuha Temple (Monkey Cave)
- Visit Phuket Town with its famous architecture, and the famous temple of Wat Chalong. See the spectacular views from Cape Promthep and find some of the best places for shopping on the Island.
